MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Economic Overview

The COVID-19 pandemic ensued global economic downturn, the most severe one since the Global Financial Crisis. The lockdowns and social distancing norms brought the already slowing global economy to a standstill. Governments and central banks across the globe deployed various policy tools to support their economies such as lowering policy rates, quantitative easing measures, etc. India adopted a four-pillar strategy of containment, fiscal, financial, and long-term structural reforms. India's gross domestic product (GDP) grew at 1.6 per cent in the January-March quarter of fiscal year 2020-21, but witnessed a contraction of 7.3 per cent for the entire fiscal year. This is the first full-year contraction in the Indian economy in the last four decades since 1979-80, when GDP had shrunk by 5.2 per cent. This is also the second straight quarter of expansion since India exited a rare recession. India's GDP figures showed the growth at 3 per cent in Q4 of FY20, while growth for FY20 came at 4 per cent, an 11-year low. Financial, real estate and professional services grew by 5.4 per cent in Q4 FY21 from 4.9 per cent growth. Unemployment soared to a near one-year high of 14.73% in the week ending May 23, according to the Centre for Monitoring Indian Economy, a Mumbai-based private think tank.

Indian Financial Services Industry

The country's financial services sector consists of capital markets, insurance sector and non-banking financial companies (NBFCs). India's gross national savings (GDS) as a percentage of Gross Domestic Product (GDP) stood at 30.50% in 2019. In 2019, US\$ 2.5 billion was raised across 17 initial public offerings (IPOs). The number of ultra-high net-worth individuals (UHNWIs), with wealth of US\$ 30 million or more, is expected to rise 63% between 2020 and 2025 to 11,198; India has the second-fastest growth in the world. India has scored a perfect 10 in protecting shareholders' rights on the back of reforms implemented by Securities and Exchange Board of India (SEBI) in the World Bank's Ease of Doing Business 2020 report. In May 2021, the mutual fund (MF) industry's assets under management (AUM) amounted to 3,305,660 crore (US\$ 454.12 billion). The total number of accounts stood at 100.4 million. In May 2021, the mutual fund industry crossed over 10 crore folios. Inflow in India's mutual fund schemes via systematic investment plan (SIP) were Rs. 96,080 crore (US\$ 13.12 billion) in FY21. Equity mutual funds registered a net inflow of Rs. 8.04 trillion (US\$ 114.06 billion) by end of December 2019. 16% assets in the mutual fund industry were generated from B30 locations in March 2021. These assets decreased by 1.29%, from Rs. 5.23 lakh crore (US\$ 71.72 billion) in March 2021 to Rs. 5.17 lakh crore (US\$ 70.90 billion) in April 2021. The Government of India has taken various steps to deepen reforms in the capital market, including simplification of the IPO process, which allows qualified foreign investors (QFIs) to access the Indian bond market.

Industry Structure and Development

Lenders are finding ways to manage their books, demand and stay in the business in long-run. The Government has taken a series of measures to generate demand and ease the liquidity by ensuring public sector banks lend further to NBFCs, introducing partial credit guarantee scheme, organizing loan mela etc. The slowdown that has begun can't be turned around that easily for which a booster shot is required. Structurally, the government can make it easier for MSMEs to survive the environment by providing more subsidies to some sectors and build more platforms for small-scale industries to expand. Government should consider relaxing and easing some compliances, for e.g. reforms on taxes or entry requirements for DFIs. Every fundamental indicates towards a higher growth and better future next year, reflecting strong optimism going into 2021.

Opportunities and Threats and Risks and Concerns

The RBI constantly issues new regulations and/ or modifies existing regulations endeavouring to balance the multiple objectives of financial stability, consumer and depositor protection and regulatory arbitrage concerns. The major opportunities are Demographic Changes, large untrapped rural and urban Markets and Use of digital solutions for business/collections.

The threat for the NBFCs come from increased competition from Banking industry, which is in a position to lend at competitive rate due to availability of huge funds at a cheaper cost.

High cost of funds, Rising Non-performing Assets (NPAs), restrictions on deposit taking NBFCs, Competition from other NBFCs and banks. and Growing number of Fintech companies are major threats for the Industry.

A company in its normal course of working takes on many risks. For a Non-Banking Finance Company the risks that are most important are operational risk, credit risk and competition risk. The identification, monitoring and mitigation of these risks are integral to the success of the company. The Company has framed a Risk Management Policy for the Company in order to detect, mitigate and prevent risk both internal and peripheral arising to the Company.

Internal Control and their Adequacy

The company has an adequate system of internal controls commensurate with the size and nature of business. The company is complying with all the mandatory requirements of Corporate Governance as laid down in the Listing Agreement. This has improved the management of the affairs of the company and strengthened transparency and accountability. The Audit Committee reviews the internal control system and look into the observations of the statutory auditor very closely.

Discussions on Financial performance

The financial performance of the Company for the year has been discussed in the Director"s Report and Cash Flow Statement annexed with the Annual Accounts.

Developments in Human Resources

The Company has potential appraisal systems for identifying and developing talent of Employees. The Company is confident of attracting, developing and nurturing the best talent in the industry in view of the company"s inherent strengths gained over the years. As in the past, the Company has enjoyed cordial relations with the employees at all levels.

Cautionary Statement

Statements in the Management Discussion and Analysis describing the company"s present position, objectives, expectations or predictions may be "forward looking" statements within the meaning of applicable laws and regulations.

2. EXTRACT OF ANNUAL RETURN

The extracts of Annual Return pursuant to the provisions of section 92(3) read with Rule 12(1) of the Companies (Management and Administration) Rules, 2014 is furnished in **Annexure-A** attached to this Report.

3. NUMBER OF BOARD MEETINGS CONDUCTED DURING THE YEAR UNDER REVIEW

The Board of Directors met 6 (Six) times on 01.07.2020; 29.07.2020; 15.09.2020; 11.11.2020; 12.02.2021 & 23.03.2021 during the year under review as detailed in Point 3 of Corporate Governance Report annexed to this report.

4. DIRECTORS' RESPONSIBILITY STATEMENT IN TERMS OF SECTION 134(3)(c) OF THE COMPANIES ACT, 2013

Your directors confirm that:

- (i) In the preparation of the annual accounts, the applicable accounting standards have been followed along with proper explanation relating to material departure;
- (ii) Appropriate accounting policies have been selected and applied consistently and have made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the company as on March 31, 2021 and profit of the company for the year ended March 31, 2021;
- (iii) Proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- (iv) The Directors had laid down internal financial controls to be followed by the Company and such internal financial controls are adequate and were operating effectively.
- (v) The annual accounts have been prepared on a going concern basis;
- (vi) The directors have devised proper system to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

5. AUDITORS & AUDIT REPORTS

The Chairman informed that M/s S. Ramanand Aiyar & Co., Chartered Accountants (FRN: 000990N) shall continue to be the Auditor of the Company in terms of their appointment in the 36th Annual General Meeting to hold office for the period of four years from the conclusion of the Annual General Meeting held in the year 2018 until the conclusion of the Annual General Meeting to be held in the year 2022.

Pursuant to companies Amendment Act, 2017 dated 07.05.2018, the Company henceforth does not require to place the matter relating to re-appointment of auditor for ratification by members at every annual general meeting. Therefore M/s. S. Ramanand Aiyar & Co continues to hold the office of Auditors from the conclusion of ensuing AGM till next AGM to be held in the year 2022.

The Audit Report provided by the Statutory Auditors has a qualified opinion stating that the Company has not carried out a credit risk assessment of loan assets and thus impairment impact on the profit and loss statement is not recognized by the Company. The Board of Directors explains that Materiality should not be assessed more on the basis of potential impact on the profit and loss statement at the reporting date. The Company has already appointed an Independent Agency for carrying out the credit risk assessment of loan asset and thus impairment impact on the profit and loss statement. The impact shall be reflected in the Financial Statement for the FY 2021-2022.

SECRETARIAL AUDITOR

Pursuant to the provisions of section 204 of the Companies Act, 2013 read with Companies (Appointment & Remuneration of Managerial Personnel) Rules, 2014, M/s KSN & Company, Practising Company Secretaries, were appointed to carry out Secretarial Audit of the Company. The Secretarial Audit Report forms part of this report marked as **Annexure-B**.

6. PARTICULARS OF LOANS, GUARANTEES OR INVESTMENTS MADE UNDER SECTION 186 OF THE COMPANIES ACT, 2013

Pursuant to the provisions of Section 186(11) of the Companies Act, 2013, loans given and acquisition of securities by a Non-Banking Financial Company in the ordinary course of its business are exempted from compliance requirements of section 186 of the Companies Act, 2013. Hence, the requisite disclosure requirement is not applicable to the company.

7. PARTICULARS OF CONTRACTS OR ARRANGEMENTS MADE WITH RELATED PARTIES

The disclosure related to Related Party Transactions in Form AOC-2 under Section 134(3)(h) of the Companies Act, 2013 is not required to be provided as there has been no such related party transaction during the year under review as per Section 188 and other relevant rules and provisions of the Companies Act, 2013.

INDEPENDENT AUDITORS' REPORT

**To,
The Members,
Garbi Finvest Limited (formerly known as Golden Properties & Traders Limited)**

Report on the Financial Statements

Qualified Opinion

We have audited the accompanying Ind AS financial statements of **Garbi Finvest Limited (formerly known as Golden Properties & Traders Limited)**, which comprise the Balance sheet as at March 31 2021, the Statement of Profit and Loss, including the statement of Other Comprehensive loss, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matters described in the „Basis for Qualified Opinion“ section of our report, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013, as amended (“the Act”) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, its profit including other comprehensive loss, its cash flows and the changes in equity for the year ended on that date

Basis for Qualified Opinion

Company has not carried out a credit risk assessment of loan assets and thus impairment impact on the profit and loss statement is not recognized by the Company. we are unable to comment the consequent impact of the same in the financial statements.

Emphasis of Matter

We want to draw attention to note 20 of financial statement regarding investment in preference share where the Company is required calculate interest revenue by using the effective interest method on the amortized cost of the loan given recognized as a financial asset as per Ind AS 109. As per information and explanation given to us, implementation of the same is under process.

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Ind AS Financial Statements“ section of our report. We are independent of the Company in accordance with the Code of Ethics“ issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the Ind AS financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No	Key Audit Matters	Auditor’s Response
1	<p>Revenue Recognition:</p> <p>The Company recognizes interest income using effective rate of interest method (“EIR”) as prescribed under Ind AS 109. The recognition of interest income as per EIR requires computation involving the contractual interest rate and transaction costs. The completeness and accuracy of the interest income computed on EIR basis therefore is KAM.</p> <p>Relevant reference in the accounts: Accounting polices Point No 2.5 (i) Note 15 of the Financial Statement.</p>	<p>Principal Audit Procedure</p> <p>We have tested the design and operating effectiveness of the controls directly associated with the calculation and reporting of the interest income using EIR on loans to customers and tested a sample of loans and recomputed EIR interest income for those loans. We tested the portfolio level computations of interest income on EIR basis and traced the total EIR income to the Financial Statement.</p>

Other Information

The Company’s Board of Directors is responsible for the other information. The other information comprises the information included in the Board report as per section 134 of the Act, but does not include the Ind AS financial statements and our auditor’s report thereon.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the Ind AS Financial Statements

The Company’s Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in

India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended]. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a

going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

ANNEXURE 2 TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Garbi Finvest Limited (formerly known as Golden Properties & Traders Limited)** ("the Company") as of 31st March 2021 in conjunction with our audit of Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India („ICAI“). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting with Reference to these Ind AS Financial Statements

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that;

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and Directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting with Reference to these Ind AS Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Basis for Qualified Opinion

According to the information and explanations given to us and based on our audit, the Company has not carried out a credit risk assessment of loan assets and thus impairment impact on the profit and loss statement is not recognized by the Company. we are unable to comment the consequent impact of the same in the financial statements as at March 31, 2021, a material weakness has been identified relating to inadequate internal financial controls over financial reporting in respect credit risk of the loans and the impairment there off.

In our opinion, except for the effects of the material weakness described above on the achievement of the objectives of the control criteria, the Company has maintained, in all material respects, adequate internal financial controls over financial reporting with reference to these Ind AS financial statements and such internal financial controls over financial reporting with reference to these financial statements were operating effectively as of March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Explanatory paragraph

We also have audited, in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act, the Ind AS financial statements of the Company, which comprise the Balance Sheet as at March 31, 2021, and the related Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information. This material weakness was considered in determining the nature, timing, and extent of audit tests applied in our audit of the March 31, 2021 Ind AS financial statements of the Company and this report affect our report which expressed a qualified opinion on those financial statements.

1. CORPORATE INFORMATION

The Company's main business activities are Investment Activities including advancing and financing activity. The Company is registered Non-Banking Finance Company registered with Reserve Bank of India. The Company presently has no branches.

2. SIGNIFICANT ACCOUNTING POLICIES:

1. BASIS OF PREPARATION:

The financial statements have been prepared in accordance with Indian Accounting Standards (hereafter referred to as the "Ind AS") as notified by Ministry of Corporate Affairs pursuant to Section 133 of Companies Act, 2013 (the "Act") read with Companies (Indian Accounting Standards (Ind AS)) Rules, 2015 and other relevant provisions of the Act.

The financial statements have been prepared on a historical cost convention and accrual basis, except for certain financial assets and liabilities measured at fair value.

2. PRESENTATION OF STANDALONE FINANCIAL STATEMENTS:

The Standalone Financial Statements of the Company are presented as per Schedule III (Division III) of the Companies Act, 2013 (the Act) applicable to NBFCs, as notified by the Ministry of Corporate Affairs (MCA). Financial assets and Financial Liabilities are generally reported on a gross basis.

The preparation of the financial statements, in conformity with the recognition and measurement principles of Ind AS, requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognized in the period in which they are determined.

3. STATEMENT OF COMPLIANCE:

The Standalone Financial Statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period as explained in the accounting policies below and the relevant provisions of the Act. Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use

4. FINANCIAL INSTRUMENTS

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Assets

Initial Measurement:

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent Measurement:

Subsequent measurement is determined with reference to the classification of the respective financial assets and the contractual cash flow characteristic of the financial assets, the company classifies financial assets as subsequently measured at amortized cost, fair value through other comprehensive income or fair value through profit and loss.

Financial Assets carried at amortised cost

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

Financial Assets at fair value through other Comprehensive Income (FVOCI)

A financial asset is measured at FVOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial Assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL

Debt instruments included within the FVTOCI category are measured at fair value with all changes recognized in profit and loss. However currently the company does not have any financial instrument in this category.

Equity Investment

All equity investments in scope of Ind AS 109 are measured at fair value except unquoted equity investments including investment in subsidiary which are stated at cost. Equity instruments which are held for trading are classified as at FVTPL. For other equity instruments, the company decides to classify the same either as at FVTOCI or FVTPL. The company makes such election on an instrument by instruments basis. The Classification is made on initial recognition and is irrevocable.

If the company decides to classify an equity instrument as at FVTOCI, all fair value changes on the instrument, excluding dividends are recognized in other comprehensive income.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the profit or loss.

De-recognition of Financial Assets

The Company de-recognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

Financial Liabilities

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings and payables as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

- **Borrowings**
After initial recognition, interest-bearing loans and borrowings are subsequently measured at fair value.

- **Financial Guarantee Contracts**
Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation.

- **De-recognition of Financial Liabilities**
Financial Liabilities are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in the Statement of Profit and Loss as other gains/(losses).

Offsetting Financial Instruments

Financial Assets and Financial Liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis; to realise the assets and settle the liabilities simultaneously.

FAIR VALUE MEASUREMENT

The Company measures financial assets and financial liability at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or

- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation Techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation Techniques for which the lowest level input that is significant to the fair value measurement is unobservable. For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Management analyses the movements in the values of assets and liabilities which are required to be remeasured or re-assessed as per the Company's accounting policies. For this analysis, the Management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation and other relevant documents.

5. REVENUE RECOGNITION

Revenue is recognized when there is reasonable certainty of its ultimate realization / collection. Revenue is net of Goods and Service Tax where recovered/applicable.

i. Interest Income:

Interest and Investment income is recognized on transactions on which "Settlements" are completed during the year. Income are accounted on accrual basis.

ii. Dividend Income:

Dividend income is recognised when the right to receive the payment is established.

iii. Profits on Sale of Investments:

Profit on Sale of Investments is accounted reckoning the average cost of the investments.

iv. Other Income:

Other Income is accounted on accrual basis except Dividend Income, Interest on Government Bonds and

Interest on Income Tax Refunds which are accounted on cash basis.

6. EXPENSE RECOGNITION

i. Borrowing Cost:

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

ii. Retirement Benefits:

▪ **Provident Fund & Family Pension**

- The Provident Fund and Family Pension Fund is not applicable.

▪ **Gratuity**

- The Gratuity Act is not applicable to the Company.

iii. Leave Encashment:

Leave Encashment is accounted on the basis of actual expense incurred and paid to the employees.

iv. Impairment Of Non-Financial Assets :

Non- financial assets other than inventories and non-current assets held for sale are reviewed at each balance sheet date to determine whether there is any indication. If any such indication exists or when annual impairment testing for an asset required, the company estimates the asset's recoverable amount. The recoverable amount is higher of asset's or cash generating units (CGU) fair value less cost of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash flow that is largely independent of those from other assets or group of assets.

When the carrying amount of an assets or CGU exceeds its recoverable amount, the assets are considered impaired and is written down to its recoverable amount.

v. Taxes On Income:

Current Tax is determined as per Law. Deferred Tax Asset and Liability are measured using the tax rates that have been enacted or substantively enacted at the Balance Sheet date.

7. CASH AND CASH EQUIVALENTS

Cash and cash equivalents for the purpose of cash flow statement comprise cash in hand, balances in current accounts with scheduled banks and bank deposits.

8. PROPERTY, PLANT AND EQUIPMENT (INCLUDING CAPITAL WORK-IN-PROGRESS)

Property, Plant and Equipment are stated at cost of acquisition including attributable interest and finance costs, if any, till the date of acquisition/ installation of the assets less accumulated depreciation and accumulated impairment losses, if any.

Subsequent expenditure relating to Property, Plant and Equipment is capitalised only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the Statement of Profit and Loss as incurred. The cost and related accumulated depreciation are eliminated from the financial statements, either on disposal or when retired from active use and the resultant gain or loss are recognised in the Statement of Profit and Loss.

Capital work-in-progress, representing expenditure incurred in respect of assets under development and not ready for their intended use, are carried at cost. Cost includes related acquisition expenses, construction cost, related borrowing cost and other direct expenditure.

i. DEPRECIATION/AMORTISATION ON FIXED ASSETS

Depreciation on Fixed Assets is provided on straight-line method in accordance with life of assets specified in Part C of Schedule II to the Companies Act, 2013 as per details given below:

Sl.No.	Nature of Assets	Estimated useful life in years
1	Building	60
2	Computers - Servers	6
3	Computers – End user devices	3
4	Furniture and Fixtures	10
5	Motor Vehicles	8
6	Office Equipment	5

AMORTISATION

ASSETS ACQUIRED IN SATISFACTION OF CLAIMS

Assets acquired in satisfaction of claim has been accounted at fair value of the assets acquired and is marked down by a subsequent reduction in the Net Realisable Value, if any.

9. INTANGIBLE ASSETS

An intangible asset is recognised only when its cost can be measured reliably, and it is probable that the expected

10. PROVISIONS:

Provisions are recognised when the enterprise has a present obligation (legal or constructive) as a result of past events, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

When the effect of the time value of money is material, the enterprise determines the level of provision by discounting the expected cash flows at a pre-tax rate reflecting the current rates specific to the liability. The expense relating to any provision is presented in the Statement of Profit and Loss net of any reimbursement.

11. CONTINGENT LIABILITIES AND CONTINGENT ASSETS

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the Financial Statements.

12. EARNING PER SHARE:

The Company reports basic and diluted earnings per share in accordance with Ind AS 33 on Earnings per share. Basic EPS is calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting preference dividend and attributable taxes) by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless they have been issued at a later date. In computing the dilutive earnings per share, only potential equity shares that are dilutive and that either reduces the earnings per share or increases loss per share are included.

13. OPERATING CYCLE FOR CURRENT AND NON-CURRENT CLASSIFICATION

The Company presents assets and liabilities in the balance sheet based on current /non-current classification.

All the assets and liabilities have been classified as current or non-current, wherever applicable, as per the operating cycle of the Company as per the guidance set out in Schedule III to the Act.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. Based on the nature of activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents, the company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

14. STOCK IN TRADE / SECURITIES FOR SALE

Stock in trade is valued at weighted average cost or net realisable value whichever is lower.

Points 3 to 28 BS and PL Notes.

20. INVESTMENT IN PREFERECNE SHARES

The Company is required calculate interest revenue by using the effective interest method on the amortized cost of the loan given recognized as a financial asset as per Ind AS 109. This will result into restatement of preference shares asset on the balance sheet and a regular stream of interest income being recorded in the profit and loss account. Implementation of the same as per Ind AS 109 is under process.

21. IMPAIRMENT OF CONTRACTUAL FINANCIAL ASSETS

In the attached financials statement, the Company has not carried out a credit risk assessment of loan assets and thus impairment impact on the profit and loss statement is not recognized by the Company. Implementation of the same is under process.

FAIR VALUATION OF EQUITY INSTRUMENTS

The Company holds equity shares in four privately owned Companies in the form of Investments as at March 31, 2021. As per the Classification, measurement and recognition criteria mentioned in Ind-AS 109 (Financial Instruments) and Ind-AS 113 (Fair Value Measurement), such investments in unquoted shares should be classified as Financial Assets and measured at fair value through profit or loss. Ind-AS 113 has established a fair value hierarchy that categories the inputs to valuation techniques used to measure fair value into level 1, level 2 and level 3. As at balance sheet date, the Company has used book value of investee Companies vis-a-vis the cost of these investments to arrive at the impairment gain/loss.

22. As per the information and explanation given by the management, the Company has complied with the rules

and regulation of Reserve Bank of India which is applicable to NBFC.
