Subject: Complaint Against Unidentified Individuals for Circulating Misleading Messages Regarding Company Shares

Dear Sir,

I am writing to file a complaint regarding a matter of public concern that involves the circulation of misleading messages and SMS by unidentified individuals, which appears to be aimed at manipulating the stock market. These messages promote the purchase of shares of Garbi Finvest Limited without any knowledge or authorization from the company's officials.

We as a company are deeply concerned about this situation as it may have a detrimental impact on investors and the integrity of the financial markets. Such actions could lead to significant financial losses for unsuspecting individuals who rely on accurate and transparent information when making investment decisions.

Below are the details of the complaint:

Nature of the Complaint: Circulation of misleading messages promoting the purchase of shares of Garbi Finvest Limited.

Description of the Messages: The messages being circulated falsely claim to have insider information about Garbi Finvest Limited and encourage recipients to buy shares immediately, without verifying the authenticity of the information. The messages do not provide any credible sources or contact information for the alleged insiders.

Potential Harm: This misleading information has the potential to mislead investors, artificially inflate the company's stock price, and cause financial harm to individuals who act on these false recommendations.

Evidence: I have attached screenshots of some of these messages for your reference. Additionally, I am willing to cooperate with any investigation by providing any information or further evidence that may be required.

Request: We kindly request to investigate this matter thoroughly to identify the individuals responsible for disseminating these misleading messages and take appropriate legal action against them.

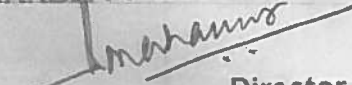

I believe that swift action is necessary to protect the interests of investors and maintain the integrity of our financial markets.

Please feel free to contact us at garbifinvest@gmail.com if you require any additional information or assistance in your investigation.
